

AN MDU RESOURCES COMPANY

CONCRETE

- CUSTOMER HANDBOOK -

PLACING ORDERS

All orders must be placed with a Customer Service Representative (CSR)

CUSTOMER SERVICE AS STRONG AS OUR CONCRETE.

- Please be ready to provide the CSR with the following information, in the order listed, for faster order entry.
 - Delivery Date
 - Customer Name
 - Project Name
 - Delivery Address
 - Type of Pour
 - Job/po#
 - Mix Type
 - Order Quantity
 - Slump
 - Start Time
 - Load Size
 - Pouring Method
 - Unload Rate / Spacing

- We encourage our customers to place concrete orders 24 hours in advance.
- Placing new orders over the radio is discouraged.
 All orders should be confirmed by telephone before they are sent.
- Deliveries that are scheduled for the first round need to be confirmed 24 hours in advance.
- Confirmed orders scheduled for the first round that are cancelled or pushed back less than two hours before the scheduled delivery time may be subject to additional charges.
- All concrete orders will arrive on site by 3:30 pm per the discretion of the dispatch/customer service team.
- COD orders require credit card preauthorization at least one hour before the scheduled pour or the order may be subject to rescheduling. If paying with cash, payment is due at the time of delivery. Checks are not accepted.
- After taking your order, the CSR will read the order back to you to ensure accuracy.
- Telephone conversations are recorded to ensure order accuracy and quality assurance.
- Please have the order date and address of delivery ready when confirming or making any changes to your order.

WILL-CALL & SATURDAY ORDERS

- We welcome Will-Call orders but all Will-Calls need to be confirmed to ensure on time delivery. First round Will-Calls (prior to 12:00 pm) need to be confirmed 24 hours in advance.
- Will-Call orders scheduled after 12:00 pm need to be confirmed at least 2 hours prior to delivery to avoid rescheduling.
- Please confirm your Will-Call order as soon as possible to ensure your scheduling needs. We do not schedule drivers/trucks for Will-Call orders.
- All Saturday orders need to be placed and confirmed by 2:00 pm on Friday.
 The number of Saturday orders taken will be based on the number of trucks available.
- All Saturday orders will be scheduled for first thing in the morning based on the discretion of the dispatch/customer service team.

POURS SCHEDULED OUTSIDE OF NORMAL HOURS

 After hour pours must be negotiated at least 48 hours in advance and confirmed 24 hours prior to the scheduled pour.

UNLOADING TIME

 Orders that take an excessive amount of time to unload are subject to additional charges per the discretion of the dispatch/customer service team.

SMALL LOADS/CALL BACKS

- We understand that occasionally there will be a miscalculation and we expect an occasional call back load. Any additional call backs will be subject to truck availability and delivery charges.
- All orders and/or call backs less than or equal to 3 cubic yards will be subject to an additional fee.

WEATHER CONDITIONS:

- Concrete orders will be taken and sent out per the discretion of the dispatch/customer service team in times of inclement weather.
- Orders already placed may be pushed back or rescheduled due to weather conditions per the discretion of the dispatch/customer service team.
- Cold Weather Concrete: Knife River SD will not open our ready mix plants if the temperature is zero degrees or below.
- Concrete Pumping Limits: Winds need to be less than 30 mph. Temperatures need to be 12 degrees and rising.
